RECYCLING GUIDE

Access permitted only for Upper Pittsgrove Township residents for disposal of normal household trash and recyclables.

Permit-Decal Stickers

A green Convenience Center permit decal must be placed on the rear view mirror or front bumper of all vehicles. Decals may be purchased for \$1 at the Municipal Building. You will need to show the vehicle registration card with valid address. Renters may receive 1 permit only with proof of residency and vehicle registration card.

Keep our Community Clean!

Please use closed bags and containers to transport trash. Open-bed trucks or trailers must be covered by a tarp. Free tarps are available at the Convenience Center!

Businesses/Institutions

Businesses are required by law to recycle and must turn in a recycling report to the township annually. Business recyclables are accepted at the Convenience Center, no trash/garbage

Recycling is Mandatory!

Recyclables must be separated from normal household trash and placed in the appropriate containers.

Employees may randomly slice trash bags to ensure compliance.

RECYCLED FOR FREE

Aluminum Cans- Beverage cans only. Cat food cans are to go in regular trash. Other aluminum food cans are to be placed in scrap metal container.

Anti-Freeze- Collect separately in a clean unbreakable container with tight-fitting lid. Do not mix with any other liquid.

Bi-Metal cans- rinse and remove labels.

Cardboard- Corrugated cardboard must be flattened and kept dry. Wax coated or food contaminated boxes go in the trash. Pizza boxes are accepted with food residue removed.

Cothing/Shoes- Salvation Army box.

Concrete & Asphalt- Concrete, block and bricks should be separated from asphalt.

Dry Cell Batteries- Lead-acid car and truck batteries and all rechargeable NMIH/lithium batteries (AAA, AA, D, C) are recyclables.

Electronics- Consumer electronics and small household appliances: anything with a cord: TV's, computers, laptops, monitors, game consoles, cell phones/chargers, vacuums, stereos, DVD & video players, lamps, etc...

Glass (Clear, Green, & Brown)-Glass bottles only; Rinse and remove lids and caps. Place in trash: ceramics, flat glass, mirrors, window glass, Pyrex, Corning glass cooking pots or dishes.

Lumber- Includes non-pressure treated lumber, wood scraps and pallets.

Motor Oil- Collect used oil separately in clean unbreakable container with tight-fitting lid. Do not mix with any other liquid.

Paper- Keep dry: office paper, junk mail, newspapers, magazines and paper boxes. No plastic bags or liners.

Plastic- Plastic stamped with a symbol of #1 through #7 are recyclable. Containers must be empty and clean.

Scrap metal- Includes miscellaneous scrap metal like bikes, grills and screens.

FEE REQUIRED

Construction Material

Small load (200-500lbs)-----\$30.00/ load

Large Load (over 500lbs)-----NOT ACCEPTED

A small load of household materials is accepted. A small load is a partial/full 4' x 8' level pickup size load. This load is not to exceed 500 lbs. Anything over level pickup load would require being sent to be weighed. For large projects (anything over 500 lbs), you must obtain a dumpster. The SCIA also accepts construction debris for a fee.

Large Appliances- Do not damage refrigerant tubing.

Refrigerators, Stoves, washers, dryers, and air conditioners-----\$5.00 each

Propane Tanks

Small (Under 20 lbs) -----\$2.00 each

Regular (20lbs ONLY) -----\$5.00 each

Large (Over 20 lbs) -----\$21.00 each

Tires

Auto/Truck up to 16" with rim-----\$4.00 each

Without rim-----\$3.00 each

Auto/Truck 17" & over with rim-----\$18.00 each

Without rim-----\$12.00 each

Industrial tire-----\$60.00 each

OTHER RECYCLING

Brush and Tree Limbs- Dispose by backyard composting or take to the SCIA. The township provides free chipping services in April and October. You must call the Public Works Dept (358-0466) and leave a message with your name and address. This service is limited to normal seasonal trimmings of trees and shrubs with a diameter 3 inches or less. Place brush on the edge of the road with cut ends facing the road.

Leaves, Grass, other Vegetative Material- Live Christmas trees are recycled at the Convenience Center during the month of January. All other vegetative material must be disposed by backyard composting or taken to SCIA for recycling. Leaves, grass clippings, hay, garden remnants, and kitchen scraps (no bones or meat) make a great compost for your yard and garden. The SCIA has plastic compost bins available at a great price.

Light Bulbs- Regular bulbs go in the trash. Fluorescent bulbs (including CFLs) must be taken to the Household Hazardous Waste collection days or returned to vendor.

Paint- latex and water- based paint cans go in the trash. No liquid- liquid must be dried in the can. Oil based paints, solvents, thinners, varnish and turpentine must to Household hazardous Waste Days.

Prescription Medication

The Woodstown State Police barracks on Route 40 has a drop box for medications in original containers: no liquids. For questions about this program you can call 856-769-0775.
